

Have your cake and eat it too!

Provide greater travel protection *and* increase your income while you're at it.

Now, you can provide more flexibility and greater travel protection to your customers going on a Travel Impressions vacation by booking a Travel Impressions Cancel for Any Reason (CFAR) Waiver with a Travel Protection Insurance (TPI)* plan from Allianz Global Assistance.

When you book a CFAR/TPI package through AgentMax, you will...

-  Earn 30% commission from the travel insurance plan and 16% commission from the waiver.
-  Give your customers the freedom to cancel their trip for any reason—even if they just don't feel like going.
-  Protect your customers from travel delays, covered medical emergencies and more while they're on vacation.

Travel agents need to partner with Allianz Global Assistance and Travel Impressions to sell the CFAR/TPI package. To make sure you're set up before it launches on October 15, visit us online at AllianzTravelInsurance.com/GreaterProtection.
